World Health Forum

Volume 10, 1989

World Health Organization, Geneva

Subject Index

(The subjects of WHO activities and recommendations, which appeared in the WHO Notes & News section of *World Health Forum,* are indexed separately on p. 5.)

adolescence, pregnancy, Africa, 350
Round Table, 151, 429
Africa, balance of modern and traditional medicine, 101
health and development, 417
teenage pregnancy film, 350
AIDS, ethical aspects of testing, 422
song contest, Guinea-Bissau, 107
alcohol drinking, linked to road accidents, UK, 219
alcoholic beverages, advertising on television, UK, 181
Arabian Gulf, training in doctor/patient communication, 102
Arctic countries, health problems, 62

Bahrain, mental health care, 432
Bangladesh, blindness from vitamin A deficiency, 241
birth asphyxia, management by traditional birth attendants, India, 243
blindness, dietary-deficient, Bangladesh, 241
Brazil, infant mortality, 222
Burma, WHO newsletter, 104

Cameroon, health education for schistosomiasis, 355
cancer, prescribing narcotics for pain relief, 94
Chad, evaluation of health services, 37
chemotherapy, 6-month treatment for tuberculosis, 116, 218
child-rearing, fathers' involvement, 249
Chile, continuing education for mental health care, 435
China, correspondence course for primary health care workers, 237
maternal mortality, 327
maternity hospitals, 437
medical education for rural practice, 384
cigarette smoking, among nurses and their teachers, Italy, 436
communication, doctor/patient, 28
Arabian Gulf, 102
producers/users of research findings, 32
understanding instructions for treatment, Kenya, 365
community health workers, action against tuberculosis, 105
community participation, Cook Islands, 431
immunization activities, Pakistan, 239
India, 434
methodology for assessment, 467
conflict, causes and resolution, 403
contraceptives, distribution, Ghana, 200
Cook Islands, community participation, 431
Costa Rica, iron-deficiency anaemia in infants, 102
Côte d'Ivoire, maternity care, 322
Cyprus, veterinary public health, 242

development, effect on health, Africa, 417
diarrhoeal disease, instructions for therapy, Kenya, 365
oral rehydration, 110
disabled children, rehabilitation, Guyana, 238
district health systems, increase of effectiveness, 74, 80
drugs, quality control, 236

economics, health care, USSR, 452
Egypt, maternal health, 247
elderly, as health promoters, Thailand, 186
see also older populations
equipment, procurement and maintenance, Round Table, 3, 235, 236
ethics, testing for HIV infection, 422
evaluation, community participation, 467
fellowships, 397
health services in Chad, 37

family planning, Ghana, 200
Singapore, 344
Sudan, 333
father-child relations, 249
fellowships, evaluation, 397
Finland, degree course in health services studies, 393
World Health Day, 430
footwear, to encourage walking, 101
France, home care with life-support systems, 240

German Democratic Republic, hygiene museum, 369
Ghana, family planning, 200
Guinea-Bissau, AIDS song contest, 107
Guyana, rehabilitation of disabled children, 238

health education, by clinical teachers, India, 240
calendar, Lesotho, 108
German Hygiene Museum, Dresden, 369
pregnancy in adolescence, Africa, 350
seminars for journalists, Sri Lanka, 30
use of epidemiology and anthropology, Cameroon, 355
health for all, dream and reality, 95
financing, 97
health planning, Arctic countries, 62
Lesotho, 258
health promotion, by elderly people, Thailand, 186
interview with Salyvath Lekagul, 374
interview with Liv Ullmann, 88
development of activities, Switzerland, 41
through postal services, 169
health services, decentralization, Papua New Guinea, 473
health services studies, university course, Finland, 393
health status, relation to development, Africa, 417
Sri Lanka, 105
Yugoslavia, 265
health systems, evaluation, Chad, 37
financing, USSR, 452
new needs in management, 438
resolution of conflict, 403
survey, Switzerland, 41
see also district health systems; health services
home care, life-support systems, France, 240
hospitals, availability for obstetric complications, Côte d'Ivoire, 322
role in primary health care, 430
human resources, motivation, Spain, 464
resolution of conflict, 403

immunization, community participation, Pakistan, 239
India, birth asphyxia, 243
community participation, 434
diagnosis of tuberculosis by community health workers, 105
health education by clinical teachers, 240
infant feeding, Costa Rica, 102
Peru, 99
infant mortality, Brazil, 222
Japan, 66
Interview, with Salyaveth Lekagul, rural ear, nose and throat treatment, Thailand, 374
with Liv Ullmann, health is spiritual!, 88
iron-deficiency anaemia, Costa Rica, 102
Italy, tobacco use among nurses and their teachers, 436

Japan, infant mortality, 66
journalists, health seminars, Sri Lanka, 30

Kenya, oral rehydration therapy, instructions for use, 365

legislation, 420
leprosy control, coordination of activities, 433
Lesotho, health education calendar, 108
health planning, 258
life-support systems, home care, France, 240

malaria control, Mayotte, 213
Malaysia, primary health care in jungle areas, 190
management, health systems, 438
mass media, film about teenage pregnancy, Africa, 350
support for health, Sri Lanka, 30
use of television to promote alcohol, UK, 181
maternal health, availability of hospital care, Côte d'Ivoire, 322
Egypt, 247
marketplace services, Nigeria, 433
maternity hospitals, China, 437
maternal mortality, China, 327
referred cases, Côte d'Ivoire, 322
Mayotte, malaria control, 213
medical education, general practice, South-East Asia, 100
mental public health, Chile, 435
primary health care, Finland, 393
rural practice, China, 384
Sri Lanka, 381
medical equipment, procurement and maintenance, Round Table, 3, 235, 236
medical practitioners, patient relations, 28
Arabian Gulf, 103
mental health care, Bahrain, 432
continuing education, Chile, 435
Morocco, traditional medicine, 193

narcotics, administration for cancer pain, 94
New Zealand, primary health care in Maori populations, 58
newsletter, WHO Burma office, 104
Nigeria, maternal health services in marketplace, 433
village health workers, 386
nurses, tobacco use, Italy, 436
nutrition, iron-deficiency anaemia in infants, Costa Rica, 102
vitamin A deficiency, Bangladesh, 241
weaning foods competition, Peru, 99

older populations, Round Table, 299
oral rehydration therapy, home-prepared fluids, 110
instructions for use, Kenya, 365
organ transplantation, 228
otolaryngology, rural Thailand, 374

Pakistan, community participation in immunization activities, 239
Papua New Guinea, decentralization of health services, 473
perinatal mortality, birth asphyxia, India, 243
Peru, competition for weaning foods, 99
postage stamps, for health promotion, 169
prevention and control, rheumatic fever/rheumatic heart disease, 203
primary health care, community participation, Cook Islands, 431
India, 434
delivered through district health systems, 74, 80
involvement of hospitals, 430
Malaysia, 190
New Zealand's Maori community, 58
prevention of rheumatic fever/rheumatic heart disease, 203
Senegal, 456
primary health care workers, training by correspondence, China, 237
public health, trends over 40 years, 48

quality control, drugs, 236

rehabilitation, disabled children, Guyana, 238
research, communication of findings to users, 32
rheumatic fever/rheumatic heart disease, prevention through primary health care, 203
risk approach, groups and areas, Senegal, 448
road accidents, caused by alcohol drinking, UK, 219
Round Tables: Health for today's youth, hope for tomorrow's world, 151, 429
Older populations, aging individuals and health for all, 299
The right equipment ... in working order, 3, 235, 236

schistosomiasis, health education, Cameroon, 355
Senegal, primary health care, 456
risk approach survey, 448
Singapore, family planning, 344
smoking, among nurses and their teachers, Italy, 436
sociocultural conditions, role in health education, Cameroon, 355
Spain, motivation of health professionals, 464
Sri Lanka, health seminars for journalists, 30
health status, 105
medical education for rural practice, 381
Sudan, family planning, 333
Switzerland, development of health activities, 41

Thailand, elderly people as health promoters, 186
rural ear, nose and throat treatment, 374
traditional practitioners, 103
tobacco, use among nurses and their teachers, Italy, 436
traditional birth attendants, management of birth asphyxia, India, 243
traditional medicine, Morocco, 193
physician-healers in Africa, 101
traditional practitioners, Thailand, 103
training, correspondence course for primary health care workers, China, 237
transplantation, human organs, 228
trends, 40 years of public health, 48
tuberculosis, 6-month chemotherapy treatment, 116, 218
diagnosis by community health workers, India, 105

UK, alcohol drinking and road accidents, 219
promotion of alcohol on television, 181
UNICEF goodwill ambassador, Interview with Liv Ullmann, 88
USA, Arctic health, collaboration with USSR, 62
USSR, Arctic health, collaboration with USA, 62
financing of health care, 452

veterinary public health, Cyprus, 242
village health workers, Nigeria, 386
voluntary work, Interview with Liv Ullmann, 88

world health, as foreseen by Brock Chisholm, 70
developing countries, 408
World Health Day, Finland, 430

youth, Round Table, 151, 429
Yugoslavia, health status, 265
